Fair value of the Company’s invested assets is determined and reported for disclosure purposes in accordance with the *Purposes and Procedures Manual of the NAIC Investment Analysis Office* when available. For those investments not valued by the NAIC Securities Valuation Office, prices were obtained from an independent pricing service vendor such as Interactive Data Corporation, Merrill Lynch indices, Reuters, S&P or Bloomberg. Under certain circumstances, if neither an SVO price nor a vendor price is available, a price may be obtained from a broker.

Transfers between fair value levels are recognized as of the end of the reporting period. As of March 31, 2019, the Company did not have any transfers between Levels 1, 2 or 3 for assets measured and reported at fair value.

As of March 31, 2019, the fair value of the Company’s financial instruments is summarized as below:
