#### Forward-Looking Statements

This release contains statements that may be considered "forward-looking statements" within the meaning of the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. These statements are based on current expectations and the current views of the economic and operating environment and are not guarantees of future performance. A number of risks and uncertainties, including economic competitive conditions, could cause actual results to differ materially from those projected in forward-looking statements. The Company's actual results could differ materially from those expressed or implied in the forward-looking statements. Among the factors that could cause actual results to differ materially are: (i) the Company's ability to execute its business strategy, including with respect to any new reinsurance businesses; (ii) changes in general economic conditions, including inflation, foreign currency exchange rates, interest rates and other factors; (iii) the loss of significant customers with which AORE has a concentration of its reinsurance in force; (iv) legislative, regulatory and court developments; (v) changes in regulations or tax laws applicable to the Company or its customers; (vi) more severe or more frequent losses associated with AORE's insured portfolio; (vii) losses on credit derivatives; (viii) changes in the Company's accounting policies and procedures that impact the Company's reported financial results; (ix) the effects of ongoing and future litigation, and (x) other risks and uncertainties that have not been identified at this time. The Company undertakes no obligation to revise or update any forward-looking statement to reflect changes in conditions, events, or expectations, except as required by law.
