NOTES TO FINANCIAL STATEMENTS

1. Summary of Significant Accounting Policies and Going Concern

A. Description of Business

Old American Indemnity Company (the "Company") was formed as a corporation under the laws of the State of Kentucky on November 11, 1956. The Company, formerly known as Citizens Insurance Company, received its license from the State of Kentucky on May 30, 1957. The Company subsequently changed its name to Viceroy Insurance Company. On June 5, 2012, the Kentucky Department of Insurance approved the change of the Company's name to Old American Indemnity Company.

The Company prepares its statutory financial statements in conformity with accounting practices prescribed or permitted by the State of Kentucky. The State of Kentucky requires that insurance companies domiciled in Kentucky prepare their statutory basis financial statements in accordance with the National Association of Insurance Commissioners (NAIC) Accounting Practices and Procedures Manual, subject to any deviations prescribed or permitted by the Kentucky Insurance Commissioner. The impact of any permitted accounting practices on statutory surplus was not material.

A reconciliation of the Company's net income and capital and surplus between NAIC SAP and practices prescribed and permitted by the State of Kentucky is shown below:

Fair value of the Company's invested assets is determined and reported for disclosure purposes in accordance with the *Purposes and Procedures Manual of the NAIC Investment Analysis Office* when available. For those investments not valued by the NAIC Securities Valuation Office, prices were obtained from an independent pricing service vendor such as Interactive Data Corporation, Merrill Lynch indices, Reuters, S&P or Bloomberg. Under certain circumstances, if neither an SVO price nor a vendor price is available, a price may be obtained from a broker.

NOTES TO FINANCIAL STATEMENTS

Transfers between fair value levels are recognized as of the end of the reporting period. As of March 31, 2020, the Company did not have any transfers between Levels 1, 2 or 3 for assets measured and reported at fair value.

These declarations led to various actions being taken by the federal and local governments, including stay-in-place orders in some areas. Although this began before the statement date, the various government declarations and subsequent developments continue to change as needed beyond March 31, 2020. The Company has been able to continue day-to-day operations remotely.
