1. Summary of Significant Accounting Policies and Going Concern

A. Description of Business

Old American Indemnity Company (the "Company") was formed as a corporation under the laws of the State of Kentucky on November 11, 1956. The Company, formerly known as Citizens Insurance Company, received its license from the State of Kentucky on May 30, 1957. The Company subsequently changed its name to Viceroy Insurance Company. On June 5, 2012, the Kentucky Department of Insurance approved the change of the Company's name to Old American Indemnity Company.

The Company prepares its statutory financial statements in conformity with accounting practices prescribed or permitted by the State of Kentucky. The State of Kentucky requires that insurance companies domiciled in Kentucky prepare their statutory basis financial statements in accordance with the National Association of Insurance Commissioners (NAIC) Accounting Practices and Procedures Manual, subject to any deviations prescribed or permitted by the Kentucky Insurance Commissioner. The impact of any permitted accounting practices on statutory surplus was not material.

A reconciliation of the Company's net income and capital and surplus between NAIC SAP and practices prescribed and permitted by the State of Kentucky is shown below.
